Boy or Girl?

This cannon is especially made for Gender Reveal parties – while the outside has a neutral design, the inside contains only blue confetti, which reveals that the partents-to-be are expecting a baby boy, or it is filled only with pink confetti, which reveals that the parents-to-be are expecting a baby girl. The cannons are marked with a little sticker at the bottom to indicate the colour of the confetti for the customer.

PIÑATAS

History of Piñatas

Over 400 years ago Piñatas were used for celebrating a good harvest. Today Piñatas are made from natural materials and used as entertainment for various occasions. Piñata treats represent good wishes. It is believed that the person who breaks open the Piñata will have good luck through the coming year!
