AIR-FILLED 2024

Embrace the amazing world of air-filled foil balloons!

IT'S EASY TO BE HELIUM-FREE!

Foil balloons for air-filled inflation

Embrace the amazing world of air-filled foil balloons! These versatile party accessories will elevate any event to new heights.

Air-filled helium balloons provide a similar freedom of creativity and unique designs as helium-filled options. They come in a wide variety of shapes, sizes and vibrant colours, enabling your customers to create eye-catching decorations from birthday to weddings, from seasonal festivities to baby showers.

Easy inflation

Depending on the format, there are several convenient ways to inflate the balloons featured in this brochure.

- 1) Straw – included in several products and ideal for smaller balloons
- 2) Hand pump – perfect for inflating medium-sized balloons
- 3) Electric air inflator – the quickest way to fill larger-sized balloons

Make a statement and blow up your sales with air-filled foil balloons!

AIRLOONZ

The giant AirLoonz are a real eye-catcher.

Not only can they be used as impressive decorations, but they also work great as an extraordinary play companion for kids. With a height of up to 157 cm, these XXL foil balloons make a powerful impression. They have been specifically created to be filled with air and come with a base that enables them to stand on their own.

Easy to inflate:

Fill with air (not helium)

Elastic through bottom of balloon

Attach base as shown

MINI AIR-FILLED

Mini balloons on a stick are perfect additions to gift baskets, bouquets of flowers and birthday presents. They can be ordered pre-filled with air and are a budget-friendly delight.

Small treats for big smiles!

Our air-filled, pre-inflated MiniShape balloons on a stick are available in two versions:

with the 1 cm (Ø) balloon stick (item number ending with -3 or -66)

with our new 0,5 cm (Ø) balloon stick (item number ending with -67)

All MiniShapes are also available in a bulk version: These are unfilled and come without the sticks, which are available separately.

LETTERS AND NUMBERS

Many numbers and letters have hang tabs to string a ribbon through.

This makes it easy to use them for banners and backdrops. But even without a hang tab, they can make for a fun decoration by taping them to a wall or flat surface with an adhesive.

SPECIALTY

Creating impressive sculptures or backdrops is easy with these shapes!

The Magic stars include a straw for easy inflation, and the crescents and curves are great for creating sculptures and bringing a sense of movement.

Premium FoilPro™ features and benefits...

- ✓ Uses Premium's 'Cool Aire® Technology' with our special low-speed motor to inflate with cooler air. No risk of damaging self-sealing valves and eliminates topping up when air cools down!
- ✓ Hands-free foot pedal inflates multi-compartment foils fast and easy.
- ✓ Flexible extension hose allows simple inflation of all valve compartments.
