An enchanting Party Dress Collection from Amscan

Our beautifully designed Disney Boutique collection offers dresses as unique as the child who wears them.

This collection is uniquely styled around the classic Disney Princess', Disney Fairies and other popular characters including Minnie Mouse.

You will also see featured our four newest designs, which includes introductions of princesses from Tangled and The Little Mermaid.

Each style has specific character enhancements, ranging from embroidery and printed ribbons, to silhouette prints, incorporating a range of fabrics and finishes which all tell a different story.

Charming buttons and embellishments add those final details expected from the finesse and quality our Disney Boutique collection provides.

Styles range from age 2 years to 10 years and 3 to 24 months for baby styles.

Our Disney Boutique collection is a resounding success for retailers across the UK, Europe and Middle East.
